

# Youth Voice Spotlight

## North East Primary AIP

### 1. Opening

6 children

### 2. Opportunity

Children took part in The Tree of Life activity. The areas covered were:

- Roots – School likes and dislikes
- Ground – What's important to me
- Trunk – Strengths and likes
- Branches – Hopes and Goals.
- Leaves – Important people in their lives.

The children were asked a series of questions for each area, over a period, and their responses were then transferred to the tree design.

### 3. Obligation

### 4. Outcome

All the children a clearer understanding of themselves and their needs.

Staff have a more detailed knowledge of the needs of the individuals and what areas of support is required.

It has helped to develop and concrete the secure and safe relationships that the children have with staff have been.
