

Youth Voice Spotlight

Springwell Academy Leeds

1. Opening

Student Council
(10 representatives from each site,
30 students in total)

2. Opportunity

Student Council meetings are held with representatives from each class to discuss key issues that have been raised by pupils in their class.

The student council has previously organised party food to celebrate specific events as well as put forward proposals for new equipment for the school.

Student council reps have had the opportunity to discuss their ideas directly with school leaders.

4. Outcome

The student council has provided pupils with a platform to have their voices heard within school by ensuring a continual dialogue between students and staff/leaders.

It has given some pupils the opportunity to be a representative and spokesperson for their class.
