

Youth Voice Spotlight

Springwell Academy Leeds

1. Opening

Votes for Schools
350 students

2. Opportunity

To supplement the Spiritual, Moral, Social and Cultural curriculum, all classes engage in a weekly assembly which covers a whole range of topics including current nationwide/global issues.

Each week, pupils have the opportunity to vote in relation to that week's vote topic.

Their votes are forwarded on to relevant organisations to have their voices heard - these organisations will often then feedback their response in the following weeks.

4. Outcome

Votes for Schools provides all pupils with a platform to, firstly, engage with key areas of the SMSC curriculum, but also have their opinions and voices heard on a nationwide scale. Some classes have even experienced their opinions being used and discussed in subsequent assembly resources.
